# A BILL

To impose sanctions with respect to individuals responsible for the death of Jamal Khashoggi, to protect human rights in the sale, export, and transfer of defense articles and defense services to Saudi Arabia, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Jamal Khashoggi  
5 Human Rights Act”.

**6 SEC. 2. FINDINGS.**

7       Congress makes the following findings:

1                             (1) On October 2, 2018, Washington Post jour-  
2 nalist Jamal Khashoggi was murdered by agents of  
3 the Government of Saudi Arabia in the consulate of  
4 Saudi Arabia in Istanbul, Turkey, after having been  
5 monitored through commercial surveillance software.

6                             (2) In 2019, the Department of Justice charged  
7 2 Saudi Arabian former employees of Twitter with  
8 acting as illegal agents of the Government of Saudi  
9 Arabia, using their employee access to obtain private  
10 information on dissidents and critics of Saudi Arabia  
11 at the behest of that Government, and, according to  
12 public reporting and human rights groups, the Gov-  
13 ernment of Saudi Arabia has also used commercial  
14 spyware to monitor the movements and communica-  
15 tions of dozens of activists and journalists around  
16 the world and in the United States.

17                             (3) On July 30, 2019, the Committee on For-  
18 eign Relations of the Senate approved, in a bipar-  
19 tisan vote, S. 398, 116th Congress, known as the  
20 Saudi Arabia Accountability and Yemen Act of  
21 2019, which required, among other things, the impo-  
22 sition of sanctions on any person involved in the  
23 death of Jamal Khashoggi.

24                             (4) The National Defense Authorization Act for  
25 Fiscal Year 2020 (Public Law 116–92; 133 Stat.

1       1198), enacted on December 20, 2019, required the  
2       Director of National Intelligence to submit to Con-  
3       gress a report including the identification of those  
4       who carried out, participated in, ordered, or were  
5       otherwise complicit in or responsible for the death of  
6       Jamal Khashoggi.

7               (5) On February 26, 2021, consistent with the  
8       National Defense Authorization Act for Fiscal Year  
9       2020, the Director of National Intelligence released  
10      a report entitled “Assessing the Saudi Government’s  
11      Role in the Killing of Jamal Khashoggi”, concluding  
12      that Saudi Crown Prince Mohammed bin Salman  
13      approved the operation that killed Khashoggi. The  
14      Director’s report also identified other senior officials  
15      of the Government of Saudi Arabia who “partici-  
16      pated in, ordered, or were otherwise complicit in or  
17      responsible for the death of Jamal Khashoggi on be-  
18      half of Muhammad bin Salman”.

19               (6) Section 7031(c) of the Consolidated Appropria-  
20      tions Act, 2021 (Public Law 116–260) requires  
21      the Secretary of State to deny entry into the United  
22      States of “officials of foreign governments and their  
23      immediate family members about whom the Sec-  
24      retary of State has credible information have been

1 involved, directly or indirectly, in . . . a gross violation  
2 of human rights”.

3 (7) Section 6 of the Arms Export Control Act  
4 (22 U.S.C. 2756) prohibits weapons transfers to foreign countries determined by the President to be engaged in a “pattern of acts of intimidation or harassment directed against individuals in the United States”.

9 (8) In February 2020, the Federal Bureau of  
10 Investigation declassified its assessment that officials of the Government of Saudi Arabia “almost certainly assist United States-based [citizens of Saudi Arabia] in fleeing the United States because of legal issues, undermining the United States judicial process”.

16 (9) Section 502B(a)(3) of the Foreign Assistance Act of 1961 (22 U.S.C. 2304(a)(3)) directs the President to formulate and conduct international security assistance programs of the United States in a manner which will “avoid identification of the United States, through such programs, with governments which deny to their people internationally recognized human rights and fundamental freedoms”.

24 (10) Secretary of State Antony Blinken has affirmed the United States national interest in pre-

1 venting authoritarian foreign governments from  
2 reaching beyond their borders to intimidate or harm  
3 persons within the United States, stating, “As a  
4 matter of safety for all within our borders, perpetra-  
5 tors targeting perceived dissidents on behalf of any  
6 foreign government should not be permitted to reach  
7 American soil . . . We have made absolutely clear  
8 that extraterritorial threats and assaults by Saudi  
9 Arabia against activists, dissidents, and journalists  
10 must end.”.
